Understand the Bible better!

May 2008 - Regular Baptist Press (RBP) announces the release of [*The Bible Storyline from Start to Finish*](#) - another book in the new BuildUP Bible study series.

The Bible is a unique book in human history for a number of reasons.

- It is the best-selling book of all time.
- It is a collection of 66 books written by dozens of writers over thousands of years, yet it is one book, with a central message and unifying themes.
- It is the work of human writers, yet its ultimate Author is the God of the universe.

The Bible is the most important book you will ever read. Perhaps in part due to the Bible's uniqueness, and maybe because of its importance, people often struggle to know where to start reading.

These 8 lessons will help you learn the major themes of the Bible, and how to apply them to your life today.

SCOTT GREENING is a church-planting missionary with Baptist Church Planters. His sending church is Faith Baptist Church, Mason City, Iowa. Scott is also a coauthor of the RBP Christmas program [*The Worst Christmas Tree*](#).
