What kind of challenges do *you* face?

June 2008— Regular Baptist Press (RBP) announces the release of [*Facing Life's Challenges*](#), one of the most recent releases in the new BuildUP Bible study series.

God's artistry on the canvas of our lives includes a variety of landscapes. At times, the landscapes appear lush and inviting. At other times, the landscapes are stony and rugged—maybe even barren. Left to ourselves, we would desire that God's work always take place in the midst of inviting landscapes. In reality, we know that God's most breathtaking work takes place in the rough and stony places of our lives. We also know that when we look back on the rugged landscapes, we see beauty. What at the time seemed to be stumbling blocks hindering progress in our lives, we now see as stepping stones to growth as we view the scene from God's vantage point.

This 6-lesson study will help you see the beautiful resources God has made available to His children for their journey through the landscapes of their lives.

Jeff Newman is an associate professor at Faith Baptist Bible College, Ankeny, Iowa. He is also the author of [*Conflict under Control*](#), another RBP Bible study.
