REAL FAITH LESSONS NEW! Senior High Sunday School Curriculum

RBP has made several significant improvements to our senior high Real Faith product line for Fall 2006. Teachers will be as pleased and excited as we are when they see how students respond to the **all-new, Biblically based, and life-related materials.**

The new senior high teacher's guide has the Bible commentary integrated into the lesson plans to make lessons much easier to teach. We have also added specific tie-ins to the student devotional books to help teachers develop a practical method of accountability. Check out the new and relevant active learning methods that involve the students in the educational process.

Real Faith: A four-year curriculum cycle for ages 14 to 17 or grades 9 to 12. Providing Bible book, character, and topical studies to help senior high students develop a truly Christ-honoring lifestyle and demonstrate Real Faith.

- Instructions on leading students to Christ
- Convenient perforated lesson pages for teachers
- Daily devotions with in-depth Bible study
- Helpful, life application feature articles
- In-class activity worksheets
- Convenient Bible-size (6" x 9") student book

We are now offering a teacher's resource CD each quarter with additional resources and helps, such as reproducible worksheets and case studies, a promotional poster, PowerPoint slides, and a theme-related memory verse card template. This is part of our ongoing commitment to provide beneficial and practical resources for teachers who are using our Sunday School curriculum with senior highers.

Scripture memory verse packs are available for each lesson series. The memory verses correspond to the weekly Bible study and come in a convenient plastic case.

We invite you to request and review Real Faith and, if appropriate, publish the review. We also request that you send us a copy of the review. Please direct the review to the address above.
