

God Is with Us

God Sends His Son David Pleases God

Notes to the Teacher

1. Remove the letter to parents from the front of each student book and sign each letter. Distribute the letter to the parents of each child in your class on or before the first Sunday of the quarter.
2. In preparation for the quarter, you may want to take apart all the student books and cut around the stickers. Put all the lesson 1 sheets and stickers in a folder; put all the lesson 2 sheets and stickers in another folder; continue for all thirteen lessons. This will save you time during the week.
3. If a child is absent, be sure to give that child the student book sheet (and any stickers or additional pieces) and take-home card the week following the absence.

Using the Student Book Sheets

This student book will help you review with the children the Bible lessons and memory verses. As the children work on their sheets, talk with them about the pictures. After printing a child's name on the paper, have that child repeat the Bible verse with you.

Winter Quarter 2024–25

Christmas is such a special time of year! For four weeks, we will help your child realize why Christmas is special. We want your child to know about angels, shepherds, Mary and Joseph, and baby Jesus. Then we will spend nine weeks learning about young David.

Help Your Child Learn

The quarter's lesson truths and Bible verses are listed on the back of this sheet. The back of each take-home card also includes the Bible story, review questions, and the Bible verse. In addition, the back of each student book sheet includes help for parents. We trust that you will use these resources to reinforce at home what we do at church. Little children love repetition, so don't worry about reading the story too many times or using the rhymes and songs too frequently.

Thank You!

Thank you for caring enough about your child's spiritual well-being to bring him or her to Sunday School. Thank you for entrusting your child to our care. We pray that you have personally experienced the salvation that Jesus Christ came to provide. We are always ready to help you with any spiritual needs you may have.

Sincerely,

Teacher

Lesson Truths

Weeks 1–4

God Sends His Son

This Christmas theme includes Bible stories about the angel telling Mary that she would be the mother of God's Son, the birth of baby Jesus, the angels telling the shepherds that Jesus has been born, and the shepherds' visit to the manger. Children will realize that they can tell others about Jesus, and they will know why Christmas is such a special time.

Weeks 5–13

David Pleases God

Nine stories from the life of young David will illustrate ways to please God. We will repeatedly emphasize the basic truths of helping and obeying and will give children opportunities to practice those behaviors.
